BCC Quality Policy

Our aim at Bahra Cables Co. is to delight our customers throughout their business association with us in the supply of electric Cables, by achieving:

- Total Quality Excellence of product complying with the relevant local and international standards.
- Efficient service and reliability that meets our customer`s expectations in every respect.
- Continual Improvement of our products and quality system in order to acheive error free product.
- Enhancing the employee`s skills is the main resource of improvements.
- Revision of our business management system for complying with ISO 9001:2008, ISO 14001:2004 and OHSAS 18001:2007

so that by enhancing the communication and contribution of management, employee`s, suppliers and customers, we can provide value superior to that which our customers expects.
